## Disney teen dies in wreck

A 19-year-old Disney woman was killed and a former 18-year-old Pryor High student was not injured in a two-vehicle accident at 3:02 a.m. Sunday on the Will Rogers Turnpike in Ottawa County.

Jami Herring died at the scene of the accident at Mile Marker 309.

Herring's passenger, Devonta Carter, 18, of Vinita, formerly of Pryor, escaped injury.

Robert Brehm, 60, of Huntsville, Ark., driver of a 2010

Freightliner was not injured, and neither was his passenger, Virgil James, 48, of Benton, Ark.

Westbound Herring was disabled in the roadway after previously striking the center concrete wall in her 2006 Chevy Cobalt SS.

Carter had exited the vehicle, and Herring was in the process of exiting the vehicle when the 18-wheeler was unable to avoid striking her vehicle on the passenger's side, according to a report from Trooper Mark Kuhn of Oklahoma Highway Patrol.
